

The Beer Essentials and HOPS Club
are proud to present:

NATIONAL HOMEBREW DAY

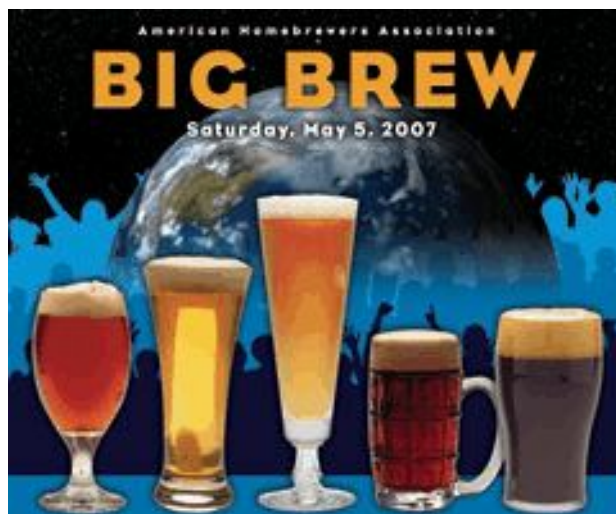

When: Saturday May 5, 2007 - 8:00 AM
Where: The Beer Essentials, #E-2
2624 112th St.
Lakewood, WA 98499

"Each year on the first Saturday in May, homebrewers unite non-brewing and brewing friends and family to celebrate National Homebrew Day, joining with thousands of homebrewers from around the world in brewing the same recipes and sharing a simultaneous toast at noon Central Time."

Join us this year, as we again gather to brew!
Extract, All-Grain, and even the Mead or
Wine Makers are welcome.

Bring friends who want to learn, or just show up
and join in the toast, and visit with those who
are brewing.

We will also be judging the beers from our
Iron Brewer Competition. So come out and
vote for your favorite.

Annual National Homebrew Day - Saturday, May 5

- ⇒ We will have laptops with ProMash available for brewers to formulate recipes the day of brewing.
- ⇒ Brewing starts at **8:00am**, sharp! We have a lot of brewing to do, and need to try to be wrapped by 6:00pm
- ⇒ Brewers should bring their own systems to brew on. If you need a partner, or can't bring your system, let us know. We can arrange to share with another brewer.
- ⇒ If you are interested in joining us, need a partner, or just want to help, contact:
